Com extraordinário acesso aos assuntos da Casa Branca, o jornalista Michael Wolff revela os bastidores do governo de Donald Trump, o presidente americano mais controverso da história. Graças ao contato privilegiado com o primeiro escalão do governo do país mais rico do mundo, o autor pinta um quadro assustador de despreparo, desorganização, assédios, vaidades e guerra contra a mídia (acusada de fabricar as *fake news*), contra o Partido Democrata e até contra o conservador Partido Republicano, do próprio presidente. Com base em mais de duzentas entrevistas, Wolff apresenta com riqueza de detalhes revelações como:

Trump e seus assessores mais diretos nunca acreditaram que ganhariam a eleição. Ninguém na equipe de Donald Trump acredita que ele tem capacidade para governar os

EU. Ninguém entende o relacionamento de Trump com a mulher Melania. A filha Ivanka conta como Donald Trump faz o penteado peculiar de seu cabelo. O autor revela que a política moderna se faz mais com o conflito do que com o consenso. *Fogo e fúria* é um livro fundamental para entender o mundo da política contemporânea.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **fogo e fúria** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your fogo e fúria so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature til you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
